CLASSES

Better Than Ever

This year the Seniors were BETTER THAN EVER!

Looking back through the years, we remember our freshmen year. The Class of 1985 was led by Patrick Grimes, president; Kina Gray, vice-president; Karla Lorenzetti, secretary; and Gina Andronico, treasurer. The advisors in their first year were Mrs. Chris Weber and Mr. Bruce Campion. To help raise money, the class had a candy sale and a car wash. The freshmen received a first in the Homecoming activities that year.

Alfred Arroyos was president our sophomore year. The other officers were: Karla Lorenzetti, vice-president; Suzette Riley, secretary; and Janice Paulson, treasurer. Mrs. Weber continued as an advisor, while Mr. Dennis Hitchens replaced Mr. Campion. The class sold sweatshirts, sponsored the Turnabout Dance, and along with the Class of '84, sponsored the Sophomore Hop/Junior Prom. At the Hop, Tami Sherman was crowned queen and Scott Wilgenbush was our King. During Homecoming, The Super Sophomores of '82-'83 won second place in both the float and spirit competition.

Leading our junior year, was Robin Pastor. Gina Andronico served as vice-president; Senna Shanti was secretary; and Janice Paulson was treasurer. Our new advisors that year were Ms. Marian Canepa and Mr. Mark Johnson. We started this junior year over \$3,000 in debt because of the disastrous sweatshirt sale the previous year. With Luck the class of '85 was able to break even and gained some profit by the end of our junior year. The class of '85 did this by continuing their sweatshirt sale and selling booster badges and Candy grams. Also we held three dances: The St. Patrick's dance, The Junior Prom and the Goodbye to the Class of '84 dance. The class worked very hard in order to start earning money to put on a Senior Ball next year. The class 1985's float "Beachin' '85" won a second place at Homecoming. The class took first in the Spirit competition.

Finally, our long-awaited Senior Year. Our Class officers this year were: Robin Pastor, president; Darrell Odell, vice-president; Senna Shanti, secretary; Jim Johnson, treasurer. Our advisors continued to be Mr. Johnson and Ms. Canepa. Although the Class of '85 had little in the treasury in September, they successfully overcame the lack of funds to put on a super Senior Ball. The total cost of the Senior Ball was about \$9,000. It was held at the Sheraton Palace in San Francisco. It was the very first year a Senior Ball was allowed to be held across the Bay in San Francisco. Close to three hundred people attended this event on June 1, 1985. The Senior Class had earned money by selling candy, holding a bake sale, and putting on successful dances: The Homecoming dance, St. Patrick's Dance, and the Senior Ball.

During Homecoming, the Seniors won the Spirit competition for the second year in a row. The class chose Tami Sherman and Ron Turchie as the Queen and King.

At Graduation, the Seniors donated a plaque to the school. The plaque, bearing Herb R. Scott's name, will be placed at the end of F-wing, renaming the wing, Scott Hall.

The Class of 1986 was led by Margaret Freeman, president; Bernie Sanabria, vice-president; Michele Trebino, secretary; and Heather Roemer, treasurer. The advisors were Mrs. Norma Equinoa and Mr. Victor Thornhill. They sponsored two candy sales, a hot chocolate sale, and the Junior Prom. The Class of 1986's float placed second during Homecoming. As seniors next year, they will look forward to a fun and successful year.

Placing first in the Homecoming Float competition was the Class of '87. They were led by Carra Rodriguez, president; Shawn Schwitters, vice-president; Korrin Ghiselli, secretary; and Dafne Arteaga, treasurer. Mrs. Jeanne Partridge and Mr. Rod Beaver were the advisors. The sophomores had a candy sale and hosted the Sophomore Hop. At the Sophomore Hop, the class of '87 crowned Dafne Arteaga and David Martinez as their Queen and King.

This year's freshmen class, the class of '88, was the largest ever. The Baby Lions started at Liberty under the leadership of Michele Manko, president; Christine Addington, vice-president; Gina Speer, secretary; and Nicole Pinney, treasurer. The advisors were Mrs. Cathy Dickey and Mr. Tim McHugh. A candy sale was sponsored by the class. They did well in the Homecoming float competition, placing third.

This year the classes of Liberty were BETTER THAN EVER! Good luck Class of 1985.

SPORTS

Better than Ever

The year was better than ever in sports for the Lion teams. Championships dominated the scene as the Liberty athletes grabbed off 5 in winter sports alone.

Both the girls' and boys' varsity basketball teams were undefeated in FAL play this season; the boys for the third straight year. Both teams earned trips to North Coast competition and qualified for the championship game, only to fall in the final game for both. The girls were paced by Debbie Geyser and Laura Goldman with generous assistance from Paula Hale and Mimi Fejes. Debbie won almost every award possible in basketball this season and was named Yearbook Female Athlete of the Year at the Award's Assembly in June. Paced by the superb playing of Sean Lasher and Scott Wilgenbush, the boys were awesome on both offense and defense this year. The girls finally beat their arch-rivals, Campolindo, not once but four times this season.

The Lions hosted the first annual Stonebarger Basketball tournament and went on to beat arch-rival Antioch for the championship. Sean was named to honors both in the FAL and the East Bay. The trip to the championship of the North Coast is the furthestest of any team in the history of the school. Led by first year coach Rich Barrios, the JV girls' basketball team also captured a championship in the FAL.

In wrestling, both the Varsity and JV teams captured their respective championships with Mario Ochoa and Tony Darone earning berths to the State Meet. Although injured, Tony made an outstanding effort at the State Meet and finished in sixth place. The Varsity championship was their second straight, while the JVs had their first ever in the FAL. Both teams were undefeated in league matches.

In spring sports, the Lions continued to hang up team and individual championships. At the start of the Varsity softball season, Coach Jerry Miller announced his resignation effective at the end of the season. The girls made it interesting and did not sew up the championship until the final two games of the season. In fact, it wasn't until the final game of the season that the girls captured sole possession of first in the FAL. Debbie Geyser earned the most valuable player for the Varsity. Other awards were top defensive player, Noel Clement; top offensive player, Wendy Haag; most inspirational, Wendy Lunsford; and team captain was Melissa Cakebread. The JV girls led by Rich Barrios hit and ran their way to yet another championship in the FAL.

In track, it was individuals who stood out. Paced by the fine running and hurdling efforts of Dave Roberts (most valuable player) Pat Grimes, Kevin Kalinowski (long and triple jumps), and Tom Mecham (shot put and discus), the boys Varsity team struggled all season. Both Dave and Pat went to North Coast Trials, while Dave made it into the finals. Blake Bomben, Jay Sadler, Jack Tellez, and Billy Bowers helped the inexperienced frosh-soph team earn respectability. TAD, ISD, and SASI, sounds like some type of alphabet soup; actually it signified the major changes that took place during the school year. The first day back to classes in September, students were greeted by Mr. Tom Himmelberg, principal, with the first announcement regarding TAD. Students were to learn that TAD (tardy, attendance and discipline) was to play a major role in their lives at school. The new policy was introduced to restrict the number of tardies and absences of all students. Financed by SIP, a committee of staff members started meeting in the Spring of '84 to work out the new policy to make students more accountable.

To assist with the new policy, the district and SIP financed the purchase and installation of a new computer system that would not only keep track of attendance and tardies but also handle scheduling, grades, progress reports to parents and a number of other things. By the end of the first semester, the school dumped the old RECAP system and relied solely on SASI. Mrs. Sue Fortner spent a huge amount of time learning the new system and educating others in its use. Students were quick to discover that violating the new TAD policy earned them either four hours of Saturday school or one or more days of ISD (in school detention). By the end of the second semester, over 150 students were spending Saturday morning going to school.

In April a drilling company hit natural gas in a well adjacent to the Varsity baseball diamond. The resultant well would mean additional monies coming into the school for some much needed improvements in buildings and grounds.

"Portable City" had ground-breaking ceremonies also in April. A construction company moved onto the campus and broke ground near the gym for the seven new portables that were to be ready for the opening of the 85-86 school year. This was the first phase of a building program that was to help the school increase its classroom space to accomodate 1800 students. Earlier in the year, Contra Costa County announced its selection for a new special education building to be housed on the campus. Construction was scheduled to start with the opening of school in 1985.

New to the staff for the 1984-85 school year were Ms. Jan McAlister who was scheduled to teach science and P.E. and coach swimming. Mrs. Norma McCain was hired to teach in the Business and Math Departments. Replacing Dr. Phil Devine, Mrs. Mary Diffenderfer handled the play responsibilities, advised Playmakers, and taught in the Language Arts Department. With the retirement of Mr. Allan Jones, Mr. Tim Wilson was hired to lead the band and teach math. Mr. Don Lopez continued to advise the FFA and was hired to handle the new ISD program. Mr. Dennis Henderson changed from a sub to full-time teacher and was hired to teach in the Social Studies Department. With the tragic death of coach and math teacher Herb R. Scott in March, Mrs. Joann Nash was hired to finish out the school year in the Math Department.

With the Staff Recognition Dinner on June 7, the school bid happy retirement to Mr. Ray Ramirez, bus mechanic; Mrs. Billie Fortner, administrative secretary; Mrs. Babe Griffin, bus driver; and Mr. Lloyd Giles, custodian. Pins and awards were given to teachers and staff for 5, 10, 15, 20, and 25 years of service to the district. Receiving 25 year recognition were Mr. Ken Forlow, LaPaloma principal; and Mrs. Alta Ackerman, secretary. Five teachers were granted tenure by the Board of Trustees: Mr. Mark Johnson, Mr. Rod Beaver, Ms. Marian Canepa, Ms. Linda Ghilarducci, and Mrs. Jeanne Partridge.

Students, Staff Share Happy Moments

Championships Generate School Spirit

Students, Staff Show Different Interests

Beginning the year with 18 on staff, we lost four and ended the year with a core of dedicated workers. We chose the theme of "Better Than Ever" which was borrowed from an idea learned at a cheerleading camp. The staff was unanimous in choosing the cover; simple but elegant. Hunter was again chosen as our publisher.

The 1985 **LION** was expanded to 216 pages (up 12 from last year) because of an expanded sports and closing section. We expanded the sports section because of the numerous championships won by our teams.

Melissa Bevill did a dynamite job on the collage this year. The ad section was done by Clayton Odell, a fabulous effort. To save time and make things easier, we relied heavily on the use of computers. Probably the greatest assest to the **LION** yearbook staff is our advisor, Mr. Bill Batze, he's just great.

This year the yearbook is "BETTER THAN EVER . . . 1985"

Sincerely

LION Yearbook Staff,
1985

ELLEN DUNNING, Senna Shanti, and Melissa Bevill try on clothes during ad pictures. Senna was the editor-in-chief of the yearbook. Melissa worked on seniors and the collage page; while Ellen drew layouts.

PHOTO EDITOR, Mark Liddington, takes his own picture on the campus. Mark was photo editor for two years.

"THREE FACES OF DAVE", Dave Pearson shows the hand puppets at the CSF Carnival. Dave worked on classes and sports.

MIMI MONTANEZ helps at the CSF Carnival in May. Mimi assisted with the ad section of the yearbook.

ANTICIPATING her senior year, Ana Louisa Child tries on the fur at Creative Image. Ana helped with classes and activities.

ASSISTANT EDITOR, Clayton Odell, poses for a formal picture at Don Berrios' Creative Image Studio. Clayton did a super job on both the ad section and as assistant editor.

MR. BILL BATZE, advisor, is photographed just prior to the start of the 1985 Herb R. Scott Memorial Golf Tournament.

TRINA BONHAM shows just one of her many talents as she leads the band onto the football field. Trina did the typing and worked on the Senior Section.

MICHELE MERCADO tries out a car stereo while she helps with ad pictures. Michele worked on the class section and the Activities Write-up.

Thank You!

I don't know what I would have done without all of you. Since it was my first year on staff as well as being the editor, I had a lot to learn: To Lisa Meyer for working so hard on the Sports Section, and for Ellen for her help on the Sports Section and her superior layouts. To Dave, Ana, Michele, and Christine for their work on the Class Section and the other odd jobs. To Melissa and Trina and Judy who put forth an outstanding effort in completing the Senior Section. An extra special thanks to Melissa for the collage (it is really great!). My special friend, Mark, you were a definite asset. Mark dedicated a lot of time to photography for annual staff. To Clayton and Mimi for completing the ad section. A super special thanks to Clayton, if you only knew how much I appreciate all the help you've given me and the things you taught me. At last, but not least, Mr. Batze. So many advisors only advise, not Mr. Batze. He advises us, supports us, and works harder than anyone I know. Without you, I don't know how any of us would have done it. Thanks to all the faculty and staff who gave us support and let us out of class. Again, thanks everyone. You have all become friends I will treasure.

I wish I could show my appreciation to this year's staff in another way other than writing it. You all helped me so much. I

SHARING a private moment with her date at the Senior Ball is Judy Krumlinde. Judy helped with the Senior Section.

Thank You,

School Pays Final Tribute to Herb R. Scott

HOLDING the flag on the 18th hole for one of the golf team's putts.

ENJOYING the hay toss with the students during the Barn Dance.

KICKING BACK during the Merry-Go-Round scheduling in the gym.

RELAXING in F-3 before the start of the school day and his math classes.

PLAYING chess with Mr. Ron Enos during the Merry-Go-Round.

EATING lunch with Mr. Jerry Crawford at the school cafeteria.

HELPING a student with a graph problem in one of his math classes.

RUNNING during practice with the cross country team in his usual garb.

RIDING in the annual Donkey Basketball Game.

WALKING up to the final green on the Bethel Island Course.

DANCING while hypnotized in front of the entire student body.

RIDING a tricycle for the faculty during Homecoming Activities on Ohmstede Field. Mr. Herb R. Scott truly enjoyed everything.

Here I sit
as the tears trickle down my face
missing you dearly
for you, no one will ever replace.
You touched our lives
in many different ways
you made us all smile
even on the melancholy days.
You were one of those special people
that stood out among the best.
You were loved by all who knew you.
Herb, you were truly the best.
Forever you will live on
in spirit and in thought,
you will never be forgotten
by all those you taught.
As the years pass by
our memory will never fade
of the man that gave so much
your kindness, no one could ever shade.
Sir, please see us through this
and guide us to the light.

give us the strength to continue
and help us realize that peace is within sight.
Let's all remember the joy and happiness
that came from your life
our prayers and deepest sympathy
we give to Jeff, Steven, and Barbara, your
wife.
Now we must go on
though without you it will never be the same
you were a model to us all
and gave us something ab which to aim.
So as I say goodbye
as hard as it may seem
I'll dry my tears and try to smile
cause I know that's the way you'd want it to
be.
In loving memory
of Herbert R. Scott.
We'll love you always.

In Memory of . . .

You're Gone

To a guy we knew all so well
A life at ease was always his
Born a child,
died a man
To all of us
He'll always stand
Here today,
gone tomorrow
Our lives are filled
with pain and sorrow
For we knew
right from the start
that he would leave
and break our hearts
God has taken him
in His care,
but his spirit will be with us
Everywhere
Bye

By David Vasquez Jr.

A world full of happiness
A world full of sadness
Where love and pain is one foolish game
You pick up the pieces, a trail left behind
And if I'm in search of a love I can't find
Then I'll know
Then I'll know
You're gone,
You're gone
Sometimes you win it
and sometimes you lose it
When it comes time, the time to choose it,
then I'll know, you're gone, You're gone
Some say it's forever, on a very short time
The times spent together,
A lesson in mind,
A dream lasts forever
A song left unsung,
Love shared by two, joined as one
Then I'll know, you're gone, you're gone, you're gone
